TLP Support Points

Pay-as-you-go for your IT Services!

Avoid costly contracts and long term commitments

If you don't want to be tied into potentially expensive long term contracts that are overkill for your business, invest in TLP Support Points with only the amount you need and can afford.

Only pay for what you use

Once you have purchased your TLP Support Points, you only use them when you need to. That way, you don't spend more than you have to on IT Support that you won't receive.

Discounted labour charges for TLP Support Point Customers

TLP Support Point customers pay less per hour than non-contract customers, meaning you get the best value when you need IT Support.
